Vehicles shown are from the Jaguar Global range. Specifications, options and availability will vary between markets and should be verified with your local Jaguar Retailer. The figures provided are official EU Test Figures. For comparison purposes only. Real world figures may differ.

†The figures provided are NEDC2 calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO<sub>2</sub> and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDC2 are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied.

‡When combined with electric motor.

◆With Large tank. 54 litres with Eco tank.

△ Includes a 75kg driver, full fluids and 90% fuel.

▲ Includes full fluids and 90% fuel.

◇Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

◆Wet: Volume as measured by simulating the loadspace filled with liquid.

Weights reflect vehicles to standard specifications. Optional extras increase weight.

**Important note on imagery & specification.** We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **many images cannot be updated to 22 model year specifications.** Features, options, trim and colour schemes will differ from many images. Customers are urged to consult your local Retailer for detailed 22 model year specifications and do not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local retailer for local availability and prices.
